Drummoynne does it again

Drummoynne Rugby Club recently defeated Woollahra Collegues 24-16 to take out their second consecutive NSW Suburban Rugby Kentwell Cup played at the TG Milliner Field, Eastwood.

Drummoynne are the first team to win back-to-back competitions since Waverley won three consecutive premierships between 1989 and 1991.

The performance was a dominant display from the team, who outplayed the Collegues four tries to one. Their try scorers included

Trent Tapp, who crossed for a double, and one each from Pale Misa and Alist Leno.

Tapp won the man of the match award for his commanding performance on the day.

Kicker Hugh Baggie was the Collegues' most affective player, contributing 11 points through a conversion and three penalty goals.

In other results, Knox Old Boys were victorious in the second grade final and Mosman took out the third grade honours.
