Swanson shines in rugby comeback

DRUMMOYNE rugby legend Tony Swanson revived memories of his halcyon days when he came out of retirement last Saturday at a chilly Rawson Oval in Mosman.

Swanson, 46, laced on the boots once again for Drummoyne 'Vintage Reds' in a big showdown with Mosman 'Old Whales' for the annual Afton Hemma Trophy.

In a fast paced, no quarter given match, the winning try was scored by none other than 'Swanno' himself - off a deft pass from centre Geoff Granger. Swanson dashed 45 metres down the touch line to score in the corner with three Mosman defenders hanging off him!
