

NSW SUBURBAN RUGBY UNION

2019 ANNUAL REPORT

Chairman's Report

The Union will record another surplus in 2019. This good result is due largely to our ability to run a lean and efficient Union, with just one staff member. The Board has realised for some time though that this is not a sustainable or ideal situation. Happily, due to our recently improved relationship with NSW Rugby, we have been able to take on another staff member at minimal cost to our Union.

Members' equity is now at an all-time high, in excess of \$825K. We have achieved this strong result whilst paying the state levy on behalf of clubs. Suburban clubs are the only clubs in the state immune from that charge. This has saved our clubs, since the introduction of the state levy, over \$95K.

I wish to thank my fellow Board Members for their efforts throughout the year. The Board meets monthly and continues to guide the Union well in all its many areas of responsibility. Having said that, the Board recognises it will have to take steps to ensure we are getting early, accurate and honest assessments of player strength from clubs. The number of forfeits recorded this year was unacceptable, and the Board acknowledges that misgrading of clubs was responsible for some of that. Expect rule changes, and hard grading decisions, to be made in 2020.

To our volunteer panelists on the Judiciary, Appeals and Integrity committees, thank you for your ongoing efforts in a difficult task.

Whilst it was pleasing to see a dramatic drop in the number of overall established offences, it is most disturbing that referee abuse is on the rise. Particularly troubling is the number of coaches guilty of referee abuse. I cannot tell you how dimly this behaviour is viewed by the Board. If, to rub out this behaviour, we have to rub out individuals from participating in our game, then so be it. We will not shy away from imposing those penalties.

Thank you to the referees who donate their time each week to ensure that we have a game. The Union has adopted a match-official recruitment policy that will dramatically increase the pool of referees and assistant referees available to Suburban Rugby competitions. Whilst that manpower will come from our ranks, the substantial costs associated with training and kitting out those match officials will not be borne by clubs.

The Rugby Club Foundation is our partner in this exciting project and I record the Union's thanks to this wonderful organisation. The Foundation is dedicated to "Sharing the Spirit of the Game" and it does that in a very real and effective way through its financial support of grassroots Rugby. Its funding of this particular project has the potential to fundamentally and dramatically transform Suburban Rugby's relationship with match officials, making them part of our clubs, as opposed to often being apart from them.

Congratulations must be extended to all our club champions and premiers, but I would like to particularly note the outstanding season of Mosman RFC, which culminated in a 1st Division Club Championship and the Kentwell Cup premiership. Forest Rugby club topped off a great year by winning the Barraclough Cup in a thriller and setting off incredible scenes of celebration - a fitting last match for the old Concord Oval. In Division Four, Sydney Harlequins scooped the pool and won all three competitions - The McLean, Grose and Walker Cups. Well done on an amazing effort. And Western Raptors, in their debut season of senior rugby, won the Meldrum Cup and proved that not all is doom and gloom in the West.

On that point, look at the 2019 successes of Suburban Rugby clubs in the western suburbs - Blue Mountains promoted to Division One and placing third in the Kentwell Cup; Blacktown promoted to Division Three and runners-up in the Clark Cup and finalists in their first year of Colts; Briars grand finalists with their Radford Cup colts team; and the aforementioned Raptors. These are real achievements that the clubs can be proud of, as can our Union.

To all Suburban clubs, players, officials, volunteers and supporters thank you once again for your support of our game - you can all be proud of being involved in the game for the game itself. Enjoy the off season, truncated as it was by the World Cup, and come back ready for a bigger and better 2020.

Executive Director's Report

The 2019 season was bookended by the Subbies 7s Tournament in March and the Kentwell Cup Grand Final in September. In between, there was, as always, plenty of action on and off the field. Most of that action was good, but not all. It is fun to celebrate the good, and we do that in the inimitable Subbies fashion. But the bad must be faced up to and dealt with too.

The "Subbies Dashboard" shown in this Annual Report gives a quick snapshot of the good and the bad.

Another operating profit is certainly good, but we do not hold and build on our financial reserves for the sake of it. Those reserves give the Union the ability to subsidise clubs, and they also give the Union a degree of independence when, and if, required.

Team numbers were down, as player registrations rose - an indicator that players are there, but not necessarily committing to a full season. The mid-season, university holiday period sees numbers slump and forfeits increase. The Board has spent considerable time this year grappling with this issue. We will be changing rules, and tightening grading assessment procedures.

But honesty from clubs about player numbers and realistic self-assessments regarding the ability to field teams will also be required. A change in the mindset of some club administrators would also be helpful - being regraded into a lower division better suited to your club's size and ability is not the end of the world and is not to be seen as a punishment. As many clubs could attest, playing in a division to which you are suited can be a liberation from forfeits and lopsided losses. It also benefits the competition, your opposition and the game of Rugby itself.

Congratulations to our Club Champions - Mosman, who took home the Bruce Graham Shield again; Forest won the Reliance Shield for the first time since 1998; Redfield Old Boys won the season in Division Three; and Canterbury took the championship honours in Division Four.

Congratulations also to our 2019 Premiers. Particular mention to Mosman for not only their Kentwell Cup title, but also for the sheer scale of their operation, boasting 10 teams at the club's peak. Also, huge congratulations to Angus Bruxner and his clubmates at Sydney Harlequins for grabbing all the grand final day silverware in Division Four.

The Union was very pleased to have the Western Raptors join us this year. The Raptors have long been a Juniors club and their move into the senior ranks, particularly so successfully with a premiership on debut, was most definitely a good thing.

Presentation Night, held this year in the Sydney University Grandstand, had close to 200 (noisy!) people in attendance to witness Mosman win again

the Suburban Club of the Year for their on and off field efforts. Mick Clay was named winner of the Peter Kelly Medal for his 50 years of service to the game. Mick works as a volunteer at the highest level of the game but his passion is with Subbies. We are so grateful to him. Mosman's Tom Marshall won the coveted Kentwell Medal.

The Union was saddened at the passing of two wonderful servants to the game and our Union. We farewelled Manu Sutherland in March, but his deep connection with Subbies lives on in the Sutherland Cup competition. And very recently, Mark Wilkinson, a veteran referee and finals series ground marshal, passed away.

On a happier note, I was pleased to see former Union Chairman, Paul Timmins, receive his life membership at last year's AGM. And I am delighted to note that he, along with our other esteemed life members, will soon be joined by Danny Hinton, who has been nominated for life membership at this year's AGM.

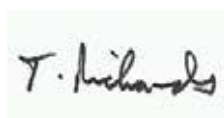

Our generous sponsors have partnered with us for many years now and we thank them for their support. Particular mention must go to The Rugby Club Foundation, joining us in an exciting, transformative match-official recruitment project; and also to our wonderful IT partners, Fusesport. Their long-term and close relationship with Subbies must be unique in Rugby.

The Union welcomed Steve Harkins (Hawkesbury Valley) onto the Board in 2019. We thank all our Board members for their service to the Union and to Rugby.

Thank you to all our volunteers on the Integrity, Judiciary and Appeals panels. Their work necessarily deals with some of the bad in Subbies Rugby, but they do the work diligently and fairly, and that is most definitely good.

Thanks to NSW Rugby for the provision of referees during the season and thanks to those referees for making our competitions possible.

Finally, to all club administrators, coaches, managers, volunteers and players - be assured your work and efforts for the good of this Union are most definitely appreciated. We thank you, and with your support in mind, we look forward to 2020 with optimism and enthusiasm.
