

# NSW SUBURBAN RUGBY UNION

## 2021 ANNUAL REPORT

# Chairman's Report

For two seasons now, the NSW Suburban Rugby Union, our Clubs, the players, coaches and the army of volunteers who keep our competition running, have faced the significant challenge presented to community sport by the global pandemic.

If 2020 was regarded as a difficult year with a delayed start to our competition, then this year presented one of the most challenging years we've faced in decades.

For the first time since 1945 the Board made the difficult decision to cancel the season and, as a result, no premierships or club championships were won, no individual awards were presented and our records will sadly reflect the season that wasn't.

Thanks must go to all those who dealt with keeping their clubs afloat and your members informed and engaged during a period when a season had been planned for, but never fully realised.

The Union has faced its own difficulties but through the strength of the Board and the guidance of our Executive Director Tim Richards, we have navigated the past two interrupted seasons to put Subbies in the best possible position we could be.

We are in a strong financial position as the accounts show, largely through returns on our investments while still covering part of the cost to clubs arising from the on-going state levy.

Subbies also worked with NSW Rugby CEO Paul Doorn to return some of the levy amounts collected to go towards funding our deal with Clutch TV and I thank Paul for the way we were able to work our way through those discussions.

Four'N Twenty Pies came on board as a competition sponsor enabling the funding our other major partnership with Clutch TV. Our deepest thanks go to Paul Hitchcock, CEO at Patties Foods and Gus Seebeck from Clutch TV for their support of Subbies and our clubs.

Clutch TV has been an outstanding success this year and our viewer and subscriber numbers have gone well beyond our projections, generating an income for Subbies that we have directed back into improving and broadening our streaming services for next year.

The Subbies initiative to recruit more referees from our ranks has been an outstanding success with 24 new referees now registered and more club members gaining their official assistant referee qualifications. Both programs have been sponsored by the Rugby Club Foundation and we thank them for the support.

Looking ahead to next year our major focus will be on organising a full season of competition, but realistically we know that position could change quickly as we deal with the uncertainty of health orders and restrictions.

We will look ahead as optimistically as we can and introduce more exciting innovations for rugby, expanding Clutch TV's reach, driving the inclusion of a women's 7's program which the Board has now adopted as a priority, holding an exciting Gala Day of rugby mid-season for women, colts and an open Barbarian style main game involving players from as many clubs as possible and once again running a finals series!

Sadly, this year we said farewell to Michael "Doc" Kennedy one of our long serving and highly respected Board members and a lifetime player, supporter, official and committeeman of the Mosman Rugby Club. His selfless service to Subbies Rugby was recognised when he was made a Life Member of the Union in 2015 and he will be deeply missed.

My thanks, as always, go to Tim Richards and Tom Chadwick for all the hard work and long hours that have gone into this year. Thanks also to the Board members who have given more time than expected this year as we navigated our way to making some very difficult decisions. And many thanks to the Judiciary and Committee members who give their time so willingly in administering our great game.

I look forward to welcoming everyone back to the rugby fields where we can all look forward to a new, full and successful season in 2022.

# Executive Director's Report

Let's not beat around the bush - Season 2021 will not be remembered fondly, being the first season since WWII to be cancelled. That momentous, unavoidable decision should make us realise how lucky we were to play rugby at all in 2020. But we must acknowledge that it also cruelled so many plans and hopes and ambitions for so many players and officials - as evidenced by the partial competition tables published in this Annual Report - that it is natural to look back in exasperation.

Yet the season that wasn't did have some highlights, some things worth noting and celebrating and being thankful for.

2021 saw the start of our game-changing sponsorship deal with Four'N Twenty Pies, enabling Suburban Rugby matches to be livestreamed and always available on NSW Rugby TV, powered by Cluch. This many layered arrangement was stitched together by NSWRU's Jason Moore and we thank him, as well as passionate rugby man, Paul Hitchcock, CEO of Patties Foods, and the wonderful team at Cluch TV headed up by Gus Seebeck.

Having our games not only livestreamed to an eager audience, but also available 24/7 as an ever-expanding visual database of Suburban Rugby, is a massive change and boost to how we present ourselves to the world of prospective players, sponsors and advertisers.

Our wonderful friends at The Rugby Club Foundation have never wavered in their support of grassroots rugby throughout the two covid effected seasons. Thanks to them, Suburban Rugby members now need not spend a cent to get qualified and accredited as a coach, a referee or an assistant referee. Our thanks go to the Rugby Club Foundation's Chairman, Angus Bruxner, and his team, particularly Business Operations Manager, Lisa Kane.

Two competitions we were able to successfully complete this year were our Sevens tournaments.

The Men's Tournament was held on 6 March at Whalan Reserve, hosted by Blacktown RFC. Hunters Hill took home the Cup, whilst a resurgent Waverley won the Colts competition. And in April, the Union held its first ever Women's 7s Tournament - and what a fun, enjoyable day it was, featuring friendly, fair and enthusiastic players. Thanks to all who participated, all our match officials, and our Hunters Hill hosts. The silverware went to Hunters Hill, UNSW and Old Barker, but the overriding "vibe" of the day was simply to get out there and have fun. The tournament allowed a number of players to get their first taste of rugby, while others were pulling back on the boots for their first run of 2021. This was the first Subbies Women's event and based on its overwhelming success, the Union has committed to running three more Women's tournaments in 2022.

Despite not having a finals series this year, normally a four-week event that raises significant revenue for the Union, our financial report records only a small operating loss of less than \$5K. Our investment in the Ausbil Australian Active Equity Fund has bounced back - and more - from its 2020 losses and so the resultant financial position of the Union remains very strong. We should never underestimate the advantages of financial independence. It is vital that we remain so.

I thank the Subbies Board for their time and expertise given to our game and our Union. We thought 2020 threw up some challenges, but none of us ever thought we would be called upon to cancel a season. I would particularly like to acknowledge the enormous amount of work put in by our Chairman, John Morrison. His contribution is immense, not only at Suburban Rugby, but also at state level with his role on the NSWRU Board. And we thank retiring Board member, Geoff Granger, for his contribution over many years.

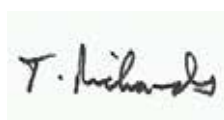

Our Judiciary members are our hardest working volunteers and I thank them for navigating some particularly difficult cases this year.

The Union was deeply saddened at the passing of Mick Kennedy in May. A wonderful rugby man, Mick will be missed by his many friends at Subbies and particularly at his beloved Mosman RFC.

Our generous sponsors have partnered with us for many years now and we thank them for their ongoing support. The Rugby Club Foundation, Fusesport and Gilbert are part of our family and contribute immensely to Subbies Rugby. And, of course, we welcome aboard our new major sponsor, Four'N Twenty Pies - a sponsor you can enjoy on the sideline and at home watching the match replay provided by another new partner, Cluch TV.

Tom Chadwick continued his first-rate job as the Union's competition manager and would be sorely missed if he ever left us.

Finally, let's look forward to 2022 with optimism and enthusiasm. As administrators, coaches, managers, volunteers and players we all have more reason than ever to make next season a success, and maybe take our wonderful game a little less for granted.

# Vale Mick Kennedy

It was with immense sadness that we learnt in May of the passing of Mick "Doc" Kennedy, a legendary rugby player, coach and administrator. Mick's dedication and friendship will be sorely missed by generations of players and administrators at Mosman RFC, Suburban Rugby and the wider NSW rugby community.

Doc was a huge part of Mosman Rugby, playing 226 games, 72 in first grade. He also coached for 17 years, winning five premierships. Mick was on the Mosman committee for 24 years, seven as Secretary and eight as President and was made a Life Member in 1990.

In addition to his work at Mosman, Mick joined the Subbies Board in 1997 to fill a vacancy, going on to serve for 18 years, three as Union President. In 2015 Doc was awarded life membership of NSW Suburban Rugby.

RIP Michael Kennedy, Rugby Gentleman
