

NSW SUBURBAN RUGBY UNION

2024 ANNUAL REPORT

Chairman's Report

Last December at this meeting I sought your support to be elected Chairman of the NSW Suburban Rugby Union. At the time, I talked about the importance of having a growth mindset and how it is incumbent on each of us to grow the game we love. So, whilst I am happy to say we had a great year, we collectively have a lot of work still to do. I was told by a friend that 'the game won't fix itself', and I hope you will continue to join me in the challenge.

The work club volunteers do all year round cannot be understated – and I want to express my deep gratitude for the work all the committees and supporters do each week around the rugby grounds of Sydney.

I can report that we stabilised numbers across the Union in 2024 and saw some healthy signs for 2025. Having competition integrity and stability was one of the big messages we heard this time last year – and 2024 finally saw the resumption of 'normal transmission' in a post-covid environment.

I want to talk about a few key themes that have emerged this year which are critical for our growth in the future. In all these areas I want to stress to all clubs – The Board and the Union staff are here to help you. Please take advantage of that.

Competition Integrity - We established stable 8 team competitions across our top four divisions and had 11 teams in division 5. This enabled balanced home and away draws, and an equitable club championship, which should continue to be the yard stick for rebalancing of divisions. The consistent feedback I received was the competition structure was more fair and equitable - and despite the crazy wet weather we had, everyone knew where they stood.

I want to thank the Clubs, Competition and Rules Sub-Committee members, who took on the critical role of working with clubs with issues as they came up through the year. Led impeccably by John Slender, this team of rugby elders undertook a massive workload to ensure clubs were supported but also reminded of their responsibilities to the Union. We look forward to your continued guidance and wisdom in 2025.

Women's Rugby and the Joy Johnson Cup - The standout success story for 2024 was the Joy Johnson Cup, where we had nine teams playing with certainty in a well organised competition – all televised on NSW Rugby TV. We are really excited about what the Women's competition looks like in 2025, and already have nominations from 18 clubs to compete.

It is for this reason that the Board intends to include Women's Rugby in Divisional Club Championships. We want to reward clubs that expend the effort to stand up a women's program. This extends on the current inclusion of Joy Johnson points in the Cowboy Cup. So please consider what this means at your club. We are highlighting this now to give clubs the requisite runway through 2025 to commence your planning around Women's rugby.

It is worth noting that Subbies has initiated a women-only Coaching and Skills Course to be held on 8 December. Thanks to the excellent and ongoing support of the Rugby Club Foundation, Subbies will continue to invest to increase the number of female coaches, administrators and match officials.

I also, sadly, must acknowledge the recent passing of Joy Johnson, who was honoured two years ago with the naming of the Subbies Women's competition. Joy was a Subbies legend, and we want to extend heartfelt condolences to her family and the St Ives Club. Having Joy present the Cup this year was a special moment for the players, and an absolute thrill for Joy herself.

Colts Rugby and the crucial role colts have for the future of clubs - Last year I spoke about the importance of Colts programs as a feeder to Senior Men's teams. The Colts programs of many clubs are nothing short of outstanding, but we need to spread our wings further. We know it's not easy to recruit colts, but it is worth the effort.

We know that many kids stop playing organised sport when they leave school, but our extensive data analysis, led by board member Nick Sykes, has shown us there is another dramatic drop out rate around the 20yo and 21yo age groups across the Sydney basin.

We have thought long and hard about this, and there are a number of initiatives that we have undertaken to drive engagement of Colts eligible players because, I repeat, we are here to help clubs.

We have a social media campaign focused on 'Play Subbies Colts in 2025', with significant investment from the Union with a 'call to action' to drive players to clubs. We will also continue to engage with the Sydney Rugby Union and Sydney Juniors to ensure players don't leave the game by 'falling between the cracks'.

The Union has already scheduled, and is taking enrolments for, the 2025 Subbies Colts 10s Tournament to be held on 8 March at Nepean Rugby Park. Please factor this into your club's pre-season as it allows coaches and clubs to get players on the paddock early. There is nothing like having competitive games to get these players out of the woodwork. This year's tournament was an outstanding success, with 12 clubs contesting, and we expect 2025 to be twice as big. Even if your club is not 100% confident, give it a go.

Also, we intend to run a Western Sydney Colts Program in 2025. We will work with clubs in Western Sydney to engage colts-eligible players to join the code in February and compete in the Subbies Colts 10s Tournament. Our comrades in the Golden West should stay tuned for more to come on this exciting initiative.

The Union will continue its Colts Representative Team initiative. This year's match against NSW Country was a great success with 12 clubs represented in the match day 23. We took a 'development approach' to this side and ensured all clubs were able to nominate players.

Chairman's Report (contd.)

The post-program surveys were overwhelmingly positive, and the chance to play representative footy hopefully gives clubs a 'point of difference' with which to recruit colts players

Direct engagement from the Union on colts – for clubs that have shown an interest – will continue. We have spent time to guide clubs on the key elements of setting up a colts program and getting the foundations right because we know how vital colts are to your club's longevity.

Critical Innovations that the Union will look to adopt in 2025 - I want to talk about some of the initiatives that the 2025 Board will look to undertake to drive the growth of the Union. I was told a few years ago something that changed my perspective on our code: 'Club Rugby is in the Customer Service business'.

No longer can we expect players to turn up and deliver a 15-year career at your club. Life is not as simple as it was when many of today's administrators were playing the game. To help provide an engaging club and competition environment, the Union plans to undertake a number of initiatives and projects:

I am proud to announce the Subbies Representative Program is back. Following the success of the 2024 Colts Representative Program, and the excitement it generated, I want to advise that we are looking to field an Open Men's, Open Women's and Colts sides in 2025. This will take a lot of work and resources, but we think it is something that the players and coaches in ALL divisions should be excited about.

The Union will continue, and increase, its focus on Coaching Education and Enablement. It is a simple fact that better coaching drives greater player engagement and enjoyment. With the generous and ongoing support of the Rugby Club Foundation we will continue to run Level 2 Coaching Courses. One course has just wrapped up, with over 20 Subbies coaches attending. The Union will schedule and fund additional formal courses, but also more informal sessions in 2025. We know that almost all coaches have a thirst for knowledge, and love talking to other coaches, so these 'off-course' sessions will be coaching masterclasses for Subbies coaches, covering specific topics like Team Culture, Selections and Skill Development.

In this report I have emphasized the Union is here to help clubs. We also see a role for ourselves in helping referees, and I want to acknowledge the great partnership we have established with the NSW Referees' Association, particularly with their retiring president, David Marshall, and now his successor, Stu Dickinson.

I am proud that we have seen a dramatic reduction in the scourge of match official abuse in 2025, with only one serious incident to come before the Judiciary. Thanks to everyone for ensuring that this issue is taken so seriously – remember, Suburban Rugby has a 'One Strike, You're OUT' policy when it comes to match official abuse. You can't get more serious than that.

We all know the best referee is the one that no-one notices. But we also need to do better as a Union in providing constructive feedback on referees' performances, both positive and negative, to help referees improve. With better refereeing we know we get better player engagement and enjoyment. We also need more referees, and we will be pushing clubs to be the source of that extra personnel.

In summary, without apology for repeating myself, in all the key areas I have mentioned - Competition Integrity, Women's Rugby, Colts Rugby, Critical Innovations – the Board and the Union staff are here to help you. Please take advantage of that.

In closing, thanks must go to our sponsors which make the competition possible. PFD Foods, Coopers Brewery and Scarborough Wines have been great contributors to Subbies. The Tattersalls Club has again allowed us to host the pre-Kentwell Cup Lunch as an exciting lead up to the grand Final. Our thanks to all.

The Rugby Club Foundation has again been a terrific supporter of programs that encourage the recruitment of more referees, and this year also focusing on upskilling aspiring coaches. The RCF support allowed developing coaches to undertake the Level 2 coach training program at no cost, and more referees taking to the field from Subbies.

The sponsorship from Patties Food (Four'n Twenty Pies) has been critical in the development of NSW Rugby TV. Their financial support has allowed us to extend our streaming of games to Division 4 and has been one of the best innovations and additions to Subbies rugby in years.

My thanks to Executive Director Tim Richards and to our Competitions Manager Kim Taufu for all the hard work and long hours that have gone into this year. Thanks also to the Board members who have given so much of their time to running our game and who have always done so in an impartial and dedicated way in the best interests of the Union. And to the Judiciary who similarly give their time so freely in administering our game.

To all our clubs and volunteers, best wishes in preparing for the season ahead and for a great year in 2025. I look forward to partnering with you as we work together to GROW THE GAME!

Executive Director's Report

Annual Reports should try to capture “the feel” of the rugby season just gone. So, you should probably read 2024's report in the shower. This year was the wettest season in at least 25 years, causing considerable disruption to every competition. I would like to thank clubs for their hard work in navigating the many schedule changes and adopting “fixes” on the run.

Please have a look at the “Subbies Dashboard” on page 7 of this report. It doesn't mention the rain, but it will give a quick statistical insight into Suburban Rugby's year. One such statistic is the pleasing increase in Members' Equity, despite an operating loss. The Union remains in control of significant financial reserves which generate income and leave us with a degree of independence we should closely guard.

2024 was a special year for Drummoyne, celebrating its 150th anniversary, a remarkable milestone for a community club of any sport. Congratulations to President Colin Baggott and his team, particularly anniversary celebrations organiser, Michael de Santis.

Congratulations to all our Club Champions – Waverley took hold of the Bruce Graham Shield; Newport handily won the Reliance Shield, earning promotion to Division One; Knox were powered to the top of Division Three by their dominant colts; and Western Raptors won the Herlihy Shield in Division Four. Newport also won the coveted Cowboy Cup, our inter-divisional club championship, in a tight tussle with Hunters Hill.

Congratulations also to all our Premiers. Particular mention to Blue Mountains, Sydney Irish and Burraneer for defending their first grade premierships. And also to Newport, who will need to stock up on Silvo to care for their Barraclough, Blunt and Cowboy Cups, along with the Reliance Shield and the Barraclough and Colts medals won by Tim Anstey and Kye Gale.

The Union was delighted to have Hornsby join (or re-join) the Subbies family this year. The club came back with a bang, winning the McLean Cup and dominating the Joy Johnson Cup. Hornsby have set a new standard for our Women's competition, challenging all teams to rise. Welcome home Hornsby.

It was with immense sadness we recently learnt of the passing of Joy Johnson, the legendary rugby mum, manager and administrator. We last saw Joy in her element at the Grand Final of the competition named in her honour, handing out the trophy and medals, and charming all who met her. Rest in Peace, Joy.

The Joy Johnson Cup moved from 7s to a weekly Xs competition this year, growing to nine teams. The enthusiasm and camaraderie of the players in this competition is, yes, a JOY to behold. It's infectious. And it guarantees this competition will grow and grow. I have three words of advice to those clubs not yet infected – Get On Board.

In September, a representative squad of colts from 12 clubs took on NSW Country Colts, winning 68-17 at Boronia Park. That result is much more than just another win. If the players' enthusiasm and the crowd's enjoyment were anything to go by, then it was nothing less than a triumphant return of the Suburban Representative Program, which we will now expand beyond even its predecessor. Congratulations to the players and their clubs. Thank you so much to coaches Dave Collard, Aaron Mattin and George Ford. And a particular shout out to Luke McCormack, whose determination and organisation made the match a reality.

Congratulations to all our individual award winners this year, particularly Balmain's Alex Palmer, whom the Union was delighted to honour with the Peter Kelly Medal for Service to Rugby. Also to Blue Mountains' victorious Captain and Grand Final Man of the Match, Chris Nay, for being awarded the prestigious Kentwell Medal for Best and Fairest in our premier competition.

Sponsors remain vitally important to our union. Our generous major partners, Four'N Twenty Pies, renewed their sponsorship at the end of last year and we are immensely grateful for their support. Every dollar of that sponsorship goes to making NSW Rugby TV possible. What a boon to our game that has been, and so we also thank Sideline Sport for stepping in this year to keep NSW Rugby TV alive and thriving.

We also thank the amazing Rugby Club Foundation, grassroots rugby's greatest friend, for the amazing support they give to us and so many others across the country. And we love the support from the Tattersalls Club, Coopers Brewery, Scarborough Wines and PFD Foods, who all offer their hospitality and sensational products to the Union and to clubs.

Thank you to all the members on our various volunteer committees. I would particularly like to acknowledge the generosity of time and expertise given by the Board, Judiciary and Appeals panels. Chairman Luke McCormack has brought incredible enthusiasm, determination and passion to his new role. We should all be grateful for his strong leadership and advocacy for Suburban Rugby. I am also grateful to have on board this year our new Competition Manager, Kim Taufa. Her willingness to dig in, do whatever is needed, learn on the fly - always with efficiency and cheerfulness - has been a blessing.

Thank you to the Subbies army of administrators, players, coaches, match officials and volunteers for your efforts and hard work during the year. We look forward to 2025 with great anticipation. Join us - and bring a mate.

Vale Joy Johnson

It was with immense sadness we learnt in November of the passing of Joy Johnson, a legendary rugby mum, manager and administrator.

Joy epitomised all that is good with grassroots rugby. Her dedication, enthusiasm and friendship will be very sorely missed by generations of players, officials and administrators at St Ives, Subbies Rugby, and the wider NSW rugby community. And also at the Northern Suburbs Tennis Association, where Joy competed, contributed and had many friends.

Joy began her association with rugby in 1970 when her eldest son joined St Ives Juniors. With husband Kevin, she jumped straight in to help the club and thus began an association with St Ives and Subbies that continued right up to her passing.

Joy was involved in all aspects of her beloved Saints a team manager, tour organiser, fundraiser, social host, jersey sorter and game-day prepper. And, of course, as Club Secretary, a position she held for an extraordinary 20 years, working so brilliantly alongside her erstwhile club colleagues Graeme Kennan and Clive Nettleton.

Think of that – for two decades, while raising a family and helping to run a family business, Joy held the demanding position of rugby club secretary, and always with a no-nonsense approach, an unfailing good nature and sense of humour.

Joy was an institution at St Ives Rugby, a much loved and respected Life Member and Patron of the club. In 2008, Suburban Rugby awarded Joy the Peter Kelly Medal for Service to Rugby, and in 2023 named our first women's competition the Joy Johnson Cup in further recognition of that magnificent service and also as a gesture of the love and respect felt for her in rugby circles.

Joy was particularly well named, as she was a joy to be around. Her family, friends and acquaintances will never forget that broad smile, the enthusiastic greetings, the many phone calls of encouragement or concern - for she was endlessly interested in people, in their achievements, their stumbles, and their lives outside rugby.

To so many, particularly at St Ives, Joy was much more than a rugby administrator. She was a second mum, a mentor, a confessor, a teacher, and – yes – a joyful friend.

The Union extends its deepest condolences to Kevin, Joy's husband of 65 years, to their children Lindy, Michael, Andrew and Kay, and to their 10 grandchildren.

Congratulations Drummoyne

Subbies Rugby was delighted to be part of Drummoyne Rugby's 150th anniversary celebrations this year and we congratulate them on their amazing milestone.

What an achievement for a community club!

We know Drummoyne's players, volunteers, supporters and past players enjoyed the numerous festivities held throughout the season, whilst revelling in the rugby, the memories and the camaraderie.

And as a result of all the good times - and hard work by the club and anniversary year volunteers - Drummoyne recently donated \$20K to Hearts in Union, an amazing charity helping seriously injured rugby players.

What a year, what a milestone and what generosity!

Congratulations and well done Drummoyne Rugby.
