

NSW SUBURBAN RUGBY UNION

2025 ANNUAL REPORT

Chair's Report

Annual reports, naturally, are designed to look back over the year. This will do that, of course, but I would also like to spend a fair portion of this annual report looking forward. The Board has spent considerable time this year doing just that – looking forward – as we prepare to be in the best possible shape to take advantage of any benefits to flow from Australia hosting the Rugby World Cups in 2027 and 2029.

NSW Rugby has also done a lot of work to prepare, and we are grateful for their support and guidance in this area. We continue to work closely and co-operatively with NSW Rugby Chair Tony Crawford, CEO Peter Murphy, and Community Rugby GM, Mark Green. NSW Rugby's strategic plan has been published after a rigorous consultative process with all affiliates, and we are grateful to NSW Rugby for that too.

That strategic plan has given us the framework within which Suburban Rugby can formulate its own plan. The Board has drawn up a draft and the consultative process with Suburban clubs will begin tonight.

Suburban Rugby's strategic plan has three key pillars – providing great competitions, supporting clubs to grow, and driving towards a sustainable future for the Union and its clubs.

The Board has identified priorities and key actions for each of these pillars. Many are already underway, either as longstanding Union practice, or recently introduced. Others are yet to be implemented. It is those priorities and actions awaiting implementation that I would like to highlight here.

The Union will take a pro-active role in creating meaningful pre-season activities and mentoring to assist in grading and club development. In addition, we will ramp up our club mentoring role with an early intervention strategy. We will be reviewing clubs much earlier and more vigorously, focusing on their viability, performance, and overall club health ahead of each season.

Colts remains a key priority of Subbies. We will be working to build relationships with schools and directly targeting school leavers from rugby playing schools and developing project plans and programs to help clubs establish colts teams.

We will be working closely with the newly appointed Head of Female Rugby to co-ordinate female-only introductory training and development opportunities such as scrum schools and confidence-in-contact courses with the aim of helping clubs establish women's Xs teams.

Growth is at the heart of our strategy. We cannot grow without more referees. Indeed, we are already short of refs. The Union, therefore, will develop a Subbies specific program targeting retiring players to become referees, and tailor a Subbies Referee Education Package.

In addition to growing our existing competitions, we will also begin to develop new competitions that target specific groups and needs – once again, to drive growth. These may include non-Saturday competitions, weight or age-based competitions, and hub model, once-a-month competitions or tournaments.

The Union will also aim to step up its marketing – for the Union's own "brand awareness", but also for clubs. We wish to develop a Subbies promotional pack that clubs can use to promote the Union as a safe, social, and values-driven competition - a place where everyone belongs and rugby is played for the love of the game.

The strategic plan recognises the cost pressures faced by clubs. Work will be done on a sponsorship pitch strategy and checklist for clubs to use, backed up by workshops to maximise sponsorship funding, and membership, registration and donation revenue. Also, with the RWC legacy grants now operative, help will be given to clubs to access those funds.

Obviously, there is a lot of work to fulfill our plan, and we must realise it will not all be achieved in the short or maybe even medium term. And, of course, the plan is only in draft stage. The Union's Board commends the plan to you but welcomes your feedback and input in the months ahead.

I have stated that growth is at the heart of our forward strategy. I am pleased to note this year's increases in player, club, team, and competition numbers. Particularly pleasing is the growth in colts and women's teams.

The Subbies Representative Program grew just a bit this year too! It came roaring back with vengeance, with the Union fielding an unprecedented three different rep teams – Men's, Colts and Women's – recording five wins from seven matches, four of which were played by our Men's team, whom for the first time competed in the Australian Rugby Shield. Congratulations and thank you to all involved – the players, medical and support staff, and our three brilliant head coaches, Paul Hardwick (Men), Gary Tunks (Colts), and Erin Quarford (Women).

Our divisional structure changed this year in response to clubs' needs, wants and abilities. Our Union's ability to be flexible in its competition structures is especially important, despite it adding a great degree of complexity in successfully grading clubs. I am happy to report that forfeits – a symptom of inaccurate grading – were way down on previous years. I congratulate and thank the Union's hard-working Clubs, Competitions and Rules Sub-committee for its efforts in grading clubs.

We had seven divisions in 2025, with one division requiring a senior team and a colts team. We have

Chair's Report (contd.)

never had that combination before, with colts clubs always previously requiring multiple senior teams. That new division - Division Four – was a roaring success, with a high level of co-operation and camaraderie between clubs. Congratulations to those Div Four clubs.

Congratulations also to the 16 clubs who fielded a team in the Joy Johnson Cup. We were able to run two Women's Xs competitions, both a remarkable success. Both Joy Johnson Cup grand finals were epic struggles, highlighting the skill level and grit of our top women's teams. The superb Subbies Women's Representative Team drawn from those two competitions was also testament to those skill levels.

I would be surprised if anyone still questions this Union's commitment to Women's Rugby. We are all in – as our constitutional changes formalising female Board representation attests. As our decision to include the Joy Johnson Cup in all club championship tallies attests. As our standing up of a Women's Representative Team attests. As our insistence that NSW Rugby provides female-only courses attests. Make no mistake, growing the women's game and making it part of each Subbies club's DNA is a vital part of our future.

It was pleasing to see 17 clubs sharing the Union's premiership spoils over our 22 competitions. Congratulations to all 22 Premiers and six club champions, particularly Petersham who now move to Division One after winning the Reliance Shield.

Congratulations also to our individual award winners – the Suburban medallists, the coach, and clubs of the year, and especially our Peter Kelly Medallist, Rohan Aalders, for his sterling 21-year contribution to rugby.

Formally recording mine and the Union's sincere thanks to our volunteers is not just a pro-forma part of this annual report. Every year I am blown away by the effort, time and expertise given to the game of Rugby, to our Union, and to our clubs, by the army of volunteers that make up the Subbies family.

At club level, wholehearted thanks to every president, secretary, treasurer, and committee member; to every coach, manager, and gear steward; to every canteen worker and sponsorship co-ordinator. We see you and the work you do. We admire you. And we give thanks for you.

At Union level, I want to record my admiration and thanks to my Board, every one of whom diligently leaves their "club hat" at the door and works solely for the betterment of Rugby and Subbies. Thanks also to the Subbies Judiciary who do a tough job well.

Talking of tough jobs, our referees, who are stretched too thin, who oftentimes bounce from one game to another on Saturday after Saturday, deserve our gratitude and respect. (Those - thankfully, few - clubs,

players and coaches who fail to see that reality are in our sights and will be dealt with unapologetically harshly.)

Our loyal sponsors are so vital to our Union. Every dollar of our Four'N Twenty Pies sponsorship goes to offset clubs' costs of NSW Rugby TV. What a colossal contribution that is! We remain immensely grateful to Paul Hitchcock and his team at Four'N Twenty (Patties Foods). Thanks also to Coopers Brewery and Scarborough wines, who along with Tattersalls Club, enable us to host the Kentwell Cup Grand Final Lunch.

The Rugby Club Foundation remains grassroots rugby's greatest supporter, allowing Subbies to offer free coaching courses, IT upgrades, and initiatives such as this year's inaugural Western Sydney Colts Program. I hope everyone at the Foundation knows how profoundly grateful Subbies is for their support.

I invite you to join me in looking forward to the 2026 season with huge optimism and enthusiasm. We, all of us – the Union, clubs, our fellow affiliates, NSW Rugby – must all help each other and work co-operatively if that optimism and enthusiasm are not to be wasted. So, I also invite you to join me in that co-operative spirit. 2026 can be a massive year in rugby if you do.

Executive Director's Report

2025 I believe will be remembered for the wonderful resurgence of the Subbies Representative Program. It was certainly one of the highlights of the season for me. The enthusiasm of the players was contagious; the commitment and expertise of the coaching and medical staffs was inspiring; the results were great; and the fringe benefits of having the Union back on the representative scene are undeniable. Thank you and congratulations to all involved in all three teams. You served and represented the Union brilliantly. We are extremely proud of all of you.

Programs like that do not come cheap, however. So, it is most pleasing to have an operating surplus recorded in a year with such substantial expenditure. The "Subbies Dashboard" on page 7 shows the Union with members' equity over \$1M for the first time ever. Those reserves not only generate income, but they also give the Union a certain amount of independence and "room to manoeuvre" if required.

The dashboard also shows we have increased other metrics – we have more teams, more clubs, more competitions, more players. Not huge increases, but we'll take them. And long may that upward trend continue. Certainly, the Board's strategy is squarely focused on growing those numbers, with a myriad of ideas, projects and plans in the pipeline.

Congratulations to all our Club Champions – Hunters Hill, taking home the Bruce Graham Shield and the Cowboy Cup; Petersham, who won the Reliance Shield and are on their way to Division One; Hills topped Division Three; Wakehurst won the Herlihy Shield in Division Four; and Hawkesbury Valley took the honours and the David Swan Shield in Division Five.

Congratulations also to all our Premiers. It was great to see so many different clubs winning premierships, with 22 cups won by 17 clubs. Particular mention to Hunters Hill for winning the Kentwell Cup in sensational fashion at Concord Oval; UNSW, too, had a great day at Concord, snatching the Barraclough Cup premiership. Beecroft, Balmain and Hawkesbury Valley are back in the winners' circle with, respectively, the Clark, Jeffrey and McLean Cups in their possession. And rounding out the first-grade winners, Merrylands got over Manly Savers in the Meldrum Cup grand final.

The Union was most pleased to have 16 teams competing in the Joy Johnson Cup this year. We were able to split the women's Xs into two competitions, with the camaraderie and good sportsmanship that is the hallmark of women's rugby on display each week. The two grand finals were both brilliant examples of this, not to mention showcases for the skills in our

women's ranks. Congratulations to Hornsby going back-to-back in the Joy Johnson (Blue) competition; and St Patrick's played a blinder to pip Newport in the Joy Johnson (Yellow) grand final. We fully expect Subbies women's rugby to continue to grow, with games worth club championship points as of 2026.

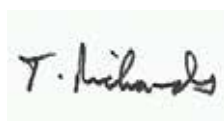

14 teams contested the Subbies Xs Tournament in March, this year hosted brilliantly by Penrith at Nepean Rugby Park. The Union was delighted to have Penrith re-join the Subbies family and look forward to them building on a commendable first year back. Adam Fletcher and his team should be very proud of their debut season.

Congratulations to all our individual award winners this year, particularly Rohan Aalders, whom the Union was delighted to honour at the Kentwell Cup Grand Final Lunch where he was presented with the Peter Kelly Medal for his 21 years of service to rugby. Also to Hunters Hill's Lachlan Camroux for being awarded the prestigious Kentwell Medal for Best and Fairest in our premier competition.

Sponsors are important to our game at every level. Our generous major partners, Four'N Twenty Pies, make NSW Rugby TV possible and we thank them very much for their continued support. As we also thank the Tattersalls Club, Coopers Brewery and Scarborough Wines, who all offer their hospitality and sensational products to the Union and to clubs. The Rugby Club Foundation is a strong partner of ours and a great Sydney rugby institution, doing amazing work for grassroots rugby across the state. Also, Fusesport and Gilbert are to be acknowledged for their ongoing association with the Union.

Thank you to all our volunteers on the Board, Judiciary and Appeals panels. We greatly appreciate the time, expertise and thoughtfulness you bring to your roles. Sadly, we farewell Sam Atkinson, our Division Five/Six representative on the Board. We thank Sam for his stellar work with Subbies and his beloved Burraneer Hammerheads.

Thank you to all clubs, administrators, players, coaches match officials and volunteers for your efforts and support during the year. We look forward to welcoming everyone back in 2026.
