### **General Minutes and Correspondence**

- There was discussion and general concern around our performance in the 2025 season.
- In particular what are we going to do better or, differently in 2026 to ensure a more successful year, both terms of on field performance and commercially.
- Warren Fisher suggested coaching clinics and programs potentially involving Lauire Fisher or other high profile guest coaches throughout the season
- Colin Baggott explained the opportunity to gain and retain players, whilst capitalising on our home games by providing innovative ideas such as child minding, expanded F&B offer and so on.
- Colin is also happy to be nominated to the Board of NSW Subbies (KS, CB).  
Thank you, CB,
- Danny Rawlings advised that he was working on organising a Development Tour of New Zealand planned for March 2027. Suggested to convene a Tour Sub Committee once more information is available (NL, LP, Nick Scully)

- Lee Granger has offered to assist with Club Merchandise for the 2026 season
- 2025 Player Survey and feedback. CV and SB to follow up and advise
- Explore potential for creating a “job network data base” to assist finding work for players
- John Sinisa to speak with coaches and managers regarding positions to recruit for the 2026 season

President thanked all for attending and, welcomed new and returning committee members.

**Meeting concluded and 7.45pm**
